

Clear structures!

Bea-fon SL240: Comfort and elegant design combined with the highest quality. Exactly the qualities you could wish for a reliable mobile phone.

Best security promises the SOS emergency button on the SL240, which dials up to 5 predefined numbers in case of emergency by only pressing one button.

The two direct dial keys of the SL240 select the numbers you assigned by pressing a button, which is not only an advantage when time is of essence. Furthermore it is equipped with Photo contacts, Bluetooth, a high-contrast TFT display, extra large buttons and an extra loud ringer.

Functions
